Document Services: AP Invoice Automation

The screenshot displays the SYSPRO 'AP Invoice Posting' screen. On the left, the 'Document Analyzer' tab is active, showing a file upload area with 'Invoice D01.pdf' successfully uploaded. Below this is a preview of the invoice from 'Northern Bicycle Storage Depot'. The main area shows 'Unmatched Invoice Lines' with a form for 'Northern Storage Depot' containing fields for Invoice number (D0000001), Transaction amount (25,162.00), Transaction reference, Branch (10), Registered Cr/Dt note (Select), Invoice date (09/04/2020), Due date (09/05/2020), Journal notation, GRN matching required (checked), Exchange rate (1.000000), and Fixed exchange rate (unchecked). On the right, the 'Transaction Details' tab shows a 'Discount' section with 'Value to match' (0.00), 'Undistributed' (0.00), and 'Journal' (0). Below this are buttons for 'GL Distribution', 'Invoice Information', and 'Recap Totals'. At the bottom, the 'GRN Matching' section includes a table with columns: Match, Partial match, Purchase order, Goods Received Note, Stock code, Warehouse, and Outstander.
